

- Use Chrome for these directions.
- Log in with your PowerTeacher account.

1. Select the **Info** (backpack). Then, select the student from the list of students on the top left.

2. Go to **Select Screens** (upper right), click arrow and scroll down and select **Student Forms**.

3. Choose form **IEP: SpEd 6a1 Individualized Education Program (IEP)**.

4. Fill out the necessary information.
(*Leave the **Total time** box empty.)

IEP: SpEd 6a1
Individualized Education Program (IEP)

Student Name **Birthdate** **Date of IEP***

Classification **Grade Level**
 12

Services needed to advance toward annual goals and to be involved and progress in the general curriculum.
 G = General education class, S = Special education class including resource, O = Other, D = Daily, W = Weekly, M = Monthly

Special education services (e.g. reading comp., math calc., social skills) **# of services**
 2

1. Special education service **Amount of Time** **Total time**

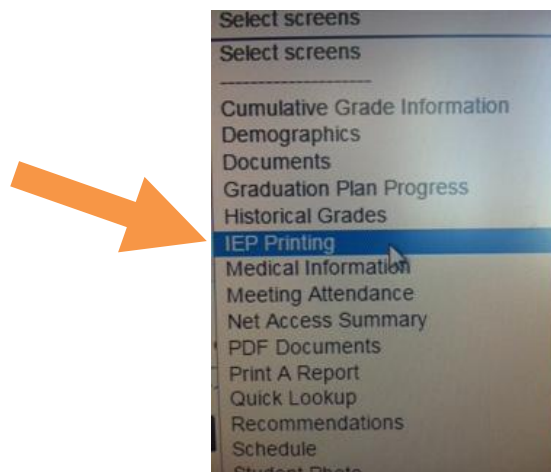

Location **Frequency**
 General education class
 Special education class including resource
 Other
 Daily
 Weekly
 Monthly

2. Special education service **Amount of Time** **Total time**

5. Select **Submit** at the bottom of the page when finished.

6. From the Select Screens, choose **IEP Printing**.
 (Note: Don't use the printer icon; it will not print accurately.)

7. Select the form you wish to print (**IEP: SpEd 6a1...**). Then, choose **Print Selected**.
 (Note: Select All does not work...print one at a time.)

If you get an error message, you will need to allow pop ups.

Click on the **red X** in the top right corner of your browser. Set to allow pop ups.

Please Note: There are no archives. The last one you edit will be the only one on PowerSchool.
